

Inauguration Saturday the 17th of March, from 4-7PM

Heino and Brigitta Folmer would like to invite you for the official opening of **ORANGE MEDICAL CENTRE** on **Saturday the 17th of March, from 4-7PM.**

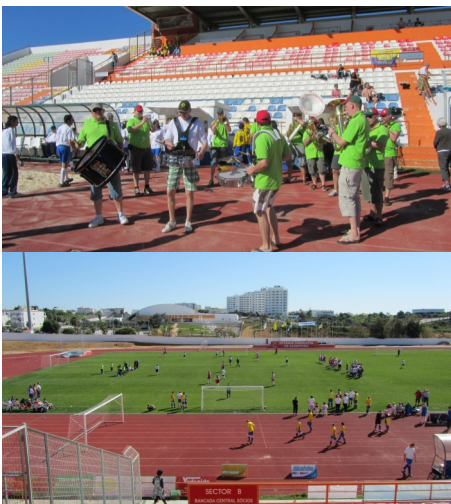

We hope that our Mayor of Albufeira, Presidente Desidério Jorge da Silva find some time to open our Clinic.

The allround brassband "De Amerblaozers" from Amersfoort (www.amerblaozers.nl) will give the opening a festive touch.

ORANGE MEDICAL CENTRE is one of the sponsors of the "Friends of the Canil Portimão" (www.friendscanilportimao.com)

These volunteers are dedicated to help the dogs of the Canil in Portimão. Every Thursday morning they walk and feed the dogs. Because of this, the dogs are given more attention and will be more socialised. This will help to find a new home for the dogs. If you are planning to bring us something for our Clinic, we ask you to give a donation for the "Friends of the Canil Portimão".

The allround brassband "De Amerblaozers" will be that weekend in the Football stadium of Albufeira.

During that weekend, for thetime a Football tournament for disabled will take place, organised by organization APEXA and mister Hijmen van Surksun, foundation Albufoort. (www.albufoort.nl)

It would be fun to have a look and to encourage the football clubs. Free entrance.
