As you might know, **Orange Medical Centre** is a sponsor of the **Friends of Canil de Portimão**. 'Friends of Canil de Portimao' is a club of volunteers who dedicate themselves to looking after the dogs in the municipal dog pound in Portimao. Every Thursday morning the members walk the dogs and give them extra food and, by doing this, the dogs get an opportunity to socialise and hence have a better chance of being adopted. Money which is raised for this charity will be used for medical treatment and the neutering of both cats and dogs.

On Saturday 30th of June from 10am–5pm the Friends of Canil de Portimão in cooperation with Royal Canin Animal Food and Clínica Veterinária Alcantarilha presents the: FIRST DOG ADOPTION DAY IN PORTIMÃO

Location: Parque Visconde de Bivar, between Restaurant Casa Inglesa and the Old Bridge on the calçadas in Portimão. (Coordinates: 37.13823, -8.533869).

Our aim is to give the dogs from the Canil Municipal de Portimão a chance to find a forever home; it will be a great day out for the whole family.
