Charitylunch 8 April FCP

Friends of Canil de Portimão

To all animal lovers,

Yes, the time has come to join us for our **Charity Lunch**. The day will be **8 April** and the lunch will be held in Alcantarilha. On booking we send you a route description (if you need it).

The lunch will be in buffet style. **We ask you to come between 12:30 and 13:00 hour.**

The cost for the buffet is 25.-- euro p.p. Half of it goes straight to FCP; the other half is to cover the cost of food.

Again our great friend Joan will donate the desserts, only for that part it is worth to come.

We ask you to bring an unpacked gift for the raffle and ask you to buy a lot of raffle tickets of course.

The lunch is only by pre-booking and pre-payment in cash.

We have pick-up points for the tickets in Lagos, Portimão, Lagoa/Alcantarilha and Albufeira.

Do you like to have a nice afternoon, have some great food and talks, meet some old friends? Then join us! Please order your tickets by mail to: friendscanilportimao@gmail.com

We have only a limited number of seats available, so first booked is first served.

Please state in your mail how many tickets you want and where you want to pick them up!!

Also please give your phone number.

Also the people who already told me they like to come, please confirm your reservation!

The money will go towards Vet-bills and if possible we like to buy some new dog houses for the new Kennels we are building at the moment.

Would you like to volunteer with us? Every **Thursday morning from 9:30 to 12:00h** the volunteers walk the dogs and give them extra food and, by doing this, the dogs get an opportunity to socialise and hence have a better chance of being adopted. If you want to join the volunteers please contact us: friendscanilportimao@gmail.com

We regularly need flight attendants for our dogs. Especially on flights to Rotterdam and Eindhoven, it has to be with Transavia (only Transavia will transport the dogs).

It costs nothing, we will arrange everything and you take a dog or cat to their new family, that's a wonderful feeling?

Patricia, Karin, Cor, Marga, Mandy.
